Dear Valued Patient,

We hope this message finds you well.

We wanted to reach out to provide you with an update regarding our ongoing negotiations with Blue Cross Blue Shield in an effort to keep you informed. We recognize the outcome impacts you and your choices.

While we have not yet reached an agreement, we want to assure you that we are actively engaged in dialogue with the goal of securing an agreement that allows GastroIntestinal Specialists (GIS), A.M.C. to remain in-network and continue providing timely, quality, advanced, and affordable care to you, your families, friends, and colleagues.

We greatly appreciate your support and patience during this process. We are committed to achieving an equitable and sustainable agreement that allows for your care at GIS to remain in the network.

We will continue to keep you updated on any developments. Thank you for your understanding and for choosing our practice for your healthcare needs.

We wish you a wonderful and restful weekend!

Warmest regards,

The Physicians of GastroIntestinal Specialists, A.M.C.
